Hard to pick a single memory with Susan, we have been making them together for 57 years. Growing up together, we were pretty inseparable. Best childhood ever !!!Her infectious laugh was stronger when we were younger, for those of you who have had the pleasure of hearing her let one rip. !!!! 😄 I know she will be holding a place for me in Heaven, and will be in charge when I get there. Until then, my friend, rest up, we will have a lot to catch up on. 🌟🍷🍷

Such a beautiful person inside and out. Susan could light up a room by just walking in. I can still picture Susan and Terry McChrystal doing cart wheels at Columbia. You will truly be missed and know you will never be forgotten. May God bless you and your family.
