Dear Mueller Family Some would say my Dad was a grumpy old man but he had a Heart of Gold and to know him was to get past that grumpy exterior. He taught me many things and the most important was that of helping others When i was with him i saw him do things for others and he would tell me to not tell anyone. i remember when he paid to fix someones car and told the shop not to tell them who did it that is the kind of Man he was. He would help anyone in need and always listen when I needed a shoulder to lean on. My Dad was the kind of Man I hope to become. I miss him Dearly Love Robert

Dear Bonnie and family So deeply sorry for your loss during these most difficult times. So many fond memories of Bill. He may have had his grumpy moments but, indeed, was a true friend. So many good times shared during our time on Olivewood. The laughter we all enjoyed watching he and little Adam cultivate a warm and loving friendship. Beneath the gruff exterior, was a very kind and caring man who would give you the shirt off his back. He will be deeply missed. May God grant him eternal peace and rest, and may he bless and comfort those left behind who mourn his loss. With deepest sympathy, Al Klesh/Terry Cline

I am so sorry Bonnie and family. I will always remember Bill for the love of his family and friends. How he said hello when he walked into our house..or we into yours. He was kind and generous. He was grumpy and gruff. He was Bill....And I loved him. Sending prayers to all of you from Chicago Debbie, Dave, Caitlyn and Evelyn Wirkiowski
