So very saddened to hear of Jackie's passing. She was a good friend way back in our teen years. Have been flooded with wonderful memories since finding this obituary. To her husband, my sincerest sympathies. To her sisters, Janice and Joanie love and prayers and deepest condolences. I love the memories we made so long ago. Rest in sweet peace Jackie. The memory that will always stand out in my mind was when Aunt Jackie asked me to sing at her wedding. I was 15 and SO scared about singing without practicing at the venue or background music! I backed out the day of her wedding and I still to this day feel horrible about it! As she was walking "down the aisle" I realized the song I had picked would have been perfect and I should work on being braver for my loved ones. Now I sing. Every. Time. We love you, Aunt Jackie. Thank you for all the beautiful, thoughtful cards you sent. We will miss you.

Jackie was full of life! She definitely knew what she wanted and what was important. For years, for so many, she made sure that a special card was sent for every holiday. It meant so much to our son, her nephew. She never complained about her challenges. She had an amazing angel on Earth with her. He stood by her and did everything he could to honor her wishes in life. She was blessed. We were blessed to have known her. She was good hearted. We will miss you Jackie. We all love you and are grateful that you are healthy and fully restored with our Lord in heaven!
