Coach Coldsnow: Sorry to read of the passing of Mrs. Coldsnow, a wonderful lady. I remember having pick up duty back at David Anderson High School in Lisbon when she was pregnant. Loved chatting with her during each pick up. Still remember the lessons you taught me in JV basketball and loved watching your football teams. I know Mrs. Coldsnow was your biggest cheerleader and fan. I know she will be missed. You are in my prayers at this time. Tom Rudibaugh

Susan was someone who showed so much kindness always- that is how I remember her. Even when losing her son, despite her pain, she showed so much grace and care. My fondest memory was some time ago. She was my cheerleading coach, she and I built a scrapbook for Marcus together, spending hours together. She was lovey to me during a bit transitional time in my life, and I will never forget her. RIP and may you be lifted up on angle wings and reunite with Marcus. Prayers for the family. Megan Burrowbridge Donaldson

Mrs.Coldsnow was a servant leader. She impacted my life to inspire working in higher education. She was just one of my favorite teachers! Chose to honor her my senior year of highschool as such. She was a gem! My sincere condolences to her family and friends. She displayed the fruits of the spirit and energy during her time at Marlinton, so thankful that her life crossed mine. She inspired me to be a better person and leader.
