I grew up with Janet, I spent many weekends i went to my first dance at her school, she took me to hockey games, football games and basketball games with her school, Janet also took me to see the Jackson 5.very exciting. We went ice skating. We went to Bible school. Most of all we would be up very late talking about boys. I will miss you very much Janet. You were and always be my friend and in my heart. Rest in peace. Love you Mary.

Janet was my best friend growing up. I spent many weekends. Janet took me to my first dance at her school. I went to many football games. Basketball games. Hockey games threw her. She took me to see the Jackson 5 concert. She always had a smile. We spent many nights talking until one of us fell asleep. We mainly talked about boys. I will miss her smile and how she made everyone feel important in her life. I love you Janet. Rest in peace.
