Susan 'Sue' Elswick, 53, passed away suddenly on Sunday, August 29, 2021. Sue is the daughter of Joseph and Charis (nee Rice) Macha and was born in Cleveland, Ohio in 1968.

Oh I remember Sue. I used to work with her years ago. She was a great person and everyone was always happy to see her. If she was there, you know the night would be better. She will be missed! I'm so sorry for your loss 💙

She was my Aunt, and she will be missed deeply. She loved family from her husband to her daughters to all her nieces and nephews and other family. The best memory I will never forget is, she was the one who taught me how to actually tie a dress tie, she made sure I got it before I left for a dance, and when I did she was so proud and I gave her the biggest hug. She was very caring, she would always attend family events. She saw most of us get married and see us with graduations, I will miss bowling together, I will miss occasionally joking around with you when we all hung out, I will miss the conversations we would have about stuff going on, I will miss the surprise shot glasses and the random things for Malinda and Bailey when you were out and about even though you didn't have too but would always tell me I saw and that it was cool lol. Aunt Sue, I will miss you deeply and I love you.

The best memory I will have is, she taught me how to actually tie and dress up tie, she made sure I didn't leave for a dance without getting down, and when I finally did she was so proud.
