Sandy and Family, thinking back to TJ (remembering our gym uniforms) and then on to West Tech (with dancing at lunch time). What fun we had and what great friendships we made. And then to the reunions of our January 1963 class at WTH. I even found a music recital program when you were in grade school and played an instrument. Our memories will never fade! You will always be special and remembered with love. Gerry Fruce Ziemba
