Mitch was a wonderful man; the kind of friend who, if you knew you were going to see him soon, it would brighten your mood for a few days. Also one of the funniest guys I've ever met. He was a strong role model for how to live a positive life. Mitch was engaging and kind to my sister and I on our family visits across the state to Canfield in the 80's and 90's. We always looked forward to seeing him and still laugh at some of his antics! We were extremely lucky to know Mitch. He had a big impact and is missed.

Condolences to the Mitchell family. Mr. Mitchell was a great man and had such a positive impact on so many young people. I had the privilege of being on his 15-0 7th grade basketball team in 1977. I remember calling him "Mitch" on H.S.. He said "hey, it's Mr. Mitchell until you graduate". He taught us all a lot of great things.
