Our deepest sympathies to you, Anita and your brother, Berti. We were so saddened to learn about your dad's passing. Your dad meant the world to us. The video was beautiful! We were so blessed and fortunate to have them both and will cherish the many fond memories of conversation, fun and dinners with your Dad and Mom. Our lives were so touched by them in a very big way. Prayers for you and your family as you grieve this unexpected and difficult loss of your Dad.
