Claudia was one of the first neighbors to welcome us to the neighborhood and always will be remembered for her beautiful smile and kind heart. I have a door harp I bought at one of her country parties that hangs on my side door which plays a beautiful little cadence every time it's opened and always makes me remember her so fondly. I'm so sorry for her long term suffering and am consoled that she is at peace. Our family's deepest condolences to the entire Fiala family. Love, Sue & Rick "Mr. Garofalo "

Claudia liked everyone and was friends with them. She was always ready to talk in person or on the phone. I enjoyed many shopping days with her and lots of laughter. This is a huge loss.

So truly sorry to read of Claudia's passing. I will always remember her with fondness and the laughter that we shared while Marty and her visited their dear friends across the road from me. I will always remember the chickens that she gave me over the years and the times we went antiquing in Sugar Creek and just plain laughed at everything. Many prayers sent to the family and know that one day you will see her again. Hugs and prayers. Sharon Throop
