Thinking of the family today...my heart goes out to all of you and wishing I was there. Many memories of Kathy to share, but most of all loved her spirit and conversations each time I visited. I'm glad to have shared the love of animals with her as well. I know today will be rough, but knowing her and experiencing her will help you celebrate her life. My deepest sympathy. Love you all!

Kathy, It was always fun whenever you were there. You were always a loving person and will be greatly missed. I most remember your help with activities at SS Philip and James. How blessed we were to have known you.

I've hundreds of wonderful memories Locked in my Heart of Kathleen. She Truly was the most gracious, generous, kind, loving, funny and outspoken goof ball ever. Didn't matter if we were Shopping, going to Lunch or out at the Club , the party never began until Kathleen entered the room. She always had me in awe of her Confidence and Beauty. I Love you my little Bowl Fruit Loops. I Will miss you till we meet again and I know in my Heart we will. Give Jesus a Big Hug for Me!

Can't remember when I first met Kathy because we were young kids when we first met. It was either through my cousin Elizabeth Hutchinson who lived on Jasper when she was young. The Hutchinsons lived on Jasper until about 1974 or 1975 before moving onto Thrush a couple of blocks away. Or, I first met her as SS. Philip & James where went to school. She was a year behind me. However, we remained friends throughout the years and I liked her very much and I could even say I loved her too. My best memories of Kathy was her charming personality, friendly smile and always saying hello to me whenever she saw me. I felt that I was fortunate to help her out several months ago when she told me that she didn't receive one of her stimulus checks. After that day, I was hoping that I could see her again and have friendly conversations like we always had and now that has been taken away. Also when there were times my cousin, myself and Kathy were together we had great times with tons of silliness involved. I've always cherished the times I was able to be around Kathy and now I am going to miss her but she will always be in my memory. One thing for sure, I know she's now got a great place in Heaven now. If her next assignment from God is to become someone's Guardian Angel, she would make a really great one and I hope the person who has her as a Guardian Angel appreciates her. Rest In Peace Kathy. I will miss you but never forget you.

My Aunt was a wonderful woman who lit up every room she walked into. Some of my favorite memories are from us going on vacation together. She never failed to make me belly laugh until I cried and always made new friends everywhere we went. I will miss her contagious laugh and how she would answer the phone saying "HELLO pookies!" I will miss her terribly as will anyone who has had the pleasure of knowing her. Love, Pookies, Pookarella, Pooks.

My most treasured memory of Kathy was the day after we both watched "Salem's Lot", the next morning as I was meeting her at her house (went to high school together) and scratched on her screen to her bedroom window at 6:30 am and she screamed the LOUDEST scream! I will miss you terribly my 1st best friend. I am sorry that I cannot be there in person to say goodbye, but you will always be in my heart.
