I am sorry I will have to miss the wake on Thursday. I have been friends with John and Jim since high school. I didn't live on Claudia but was part of the group. Jim and I were closer friends. We would have a few beers and fish all over NE Ohio. I left CLE when in 79 and was back in 2006. When I got back John was on the security desk at Reserve Square where I worked at WOIO. I say him nearly every day until he retired. We always had a good time talking about the people in the neighborhood. I will miss him. Best to his brothers and sisters and all my old friends who will be at the wake. Bob Maupin
