My dear, dear brother. How Chuck and I will miss you. We will miss going out to eat and you listening to Chuck's stories (over and over) and you telling him he was the oldest person in the restaurant. I will miss you saying, "No, not that!" from the Christmas Story, and, how you only got one piece of chicken from mom's chicken soup. Our family will miss playing pinochle when we got together. Thank you for being the best big brother and everything you did for all of us after we lost our parents so young. We will miss you and love you forever. I know you will be watching over all of us. Until we meet again in heaven. Love, Betty and Chuck
