I have thought about Robert several times since I now live a short distance from where he and Mary lived and may still reside. I met Robert when I did the audit of Chromalloy. He then employed me as his assistant and as the financial person for Elyria foundry. While he stayed in the area when Chromalloy moved its financial office to St Louis, I moved there where it had major operations. He kept me abreast of the boys wrestling accomplished as a proud father. He and I with our wives got to attend in snow the Cleveland Browns championship game in 1964 as guests of someone. I remembered he was ten years older than I and now know his and Mary's marriage is ten years longer. He was very proud of how Westlake was establishing its zoning. My condolences to Mary and his family. Kenneth E. Love
