My soul sister 🧑❤️. I will love you forever. The memories we shared will last a lifetime and I would have to write a book to capture them all. I know you are in heaven now dancing with Doug and having steak on a stick and twiced baked potatoes. Till we meet again. RIP.

My soul sister I loved ❤️ you from the first day I met you and I knew we would become special life long friends. So many memories that are too long to mention. You always lit up the room when you walked in with your smile. I know you are in heaven now, dancing with Doug and making steak on a stick and twice baked potatoes. RIP 🧑 my friend. Denise was a very dear close friend to me, my daughter ,Gabriella my mom, Patricia and especially to my sister Mary. She was her soul sister and always there for us. She was part of our family. She had a kind soul and a big heart. ❤️ We had some great memories with her. I remember spending holidays with her, playing cards against humanity 🎲🎲 grilling out, sitting out on my deck, listening to music, and our fun times at the pool. Her laugh would light up a room. I will cherish those memories as they will forever remain within my heart. ❤️ My prayers and thoughts are with the family. 🙏 May you find comfort the days ahead. Rest In peace dear friend. We will miss you very much. Thanks for your friendship. I know you will bring joy up in heaven because they gained an angel. 😊 With Deepest Sympathy and Condolences, Love, Maggie Smaltz- Forde
