Dolly, A smile and laugh you would never forget. She had an energy and spunk that put a smile on your face. Strong determined and loyal. She fought her battle with dignity and grace. May she sail and dance on.

Dolly always had a kind word but what I loved about her the most was her crackly laugh. She was the life of the party and made everyone feel welcome. I treasure all the memories I shared with her, and the lemon drops that damn near killed me. Sending love to the family.

You will always be in my heart,Dolly! I have so many beautiful memories of you through the last 67 years of our friendship. You were such a beautiful lady both inside and out! I know you are happy to finally be with your wonderful brothers,sister, Mom and Dad. Diane and I had a blast with you on our many excursions to Vegas and other casinos. We would even have fun when I would make a wrong turn and get us lost, laughing as we found our way again.I will miss you my dear friend, but I will remember all our beautiful memories forever!
