I've known John and his family since our sons were old enough to pick up a soccer ball. Chris, Jeff and James we're an unstoppable trio in sports as time went on and John was at every game. He was an Olmsted fixture. So often you would see his smiling face out and about interacting with the community. He will surely be missed.

Our hearts and thoughts are with you all during such a hard and difficult time. We will miss seeing him across the street, his friendly hello's and chatting with him. One thing is for sure, he was a very proud father, grandfather and husband. You could tell how much he loved you all. He may not physically be here anymore but, he will always be with you in spirit. John, Kelly, Stephanie & Chris were a part of our baseball, basketball, and soccer family. For years our sons (Chris and Kevin) were on the same team. John was an enthusiastic father who was always there to support Chris. One of the memories we have of him was the time a player popped up a baseball that got stuck about 20 feet up on the chain link fence. Immediately without thinking about it John scaled the fence to fetch the ball. We called him Spiderman that day. He will be missed. Margee and Tom Kallstrom Frisco, Texas
