So happy he was able to make it to the wedding, my funniest memory of him was before my mother and him had gotten married, and we lived next door. I had asked him if I could pull weeds for him, he said if you can find a weed in my yard I'll give you 20.00 lol. I couldn't find one He was this loud proud rock and roll tribe watching guy he taught me a lot through out the years I'm going to miss you

It was such a pleasure knowing AI for the many years we worked together at Premier. Our best conversations concerned our families, baseball and rocknroll. I will always cherish these memories and he will be missed.
