Deanna Stephenson

FEB 7, 1941 - MAR 6, 2022

Deanna Stephenson, 81, of North Olmsted, Ohio went to heaven on March 6, 2022. Unfortunately, COVID 19 infection accelerated her passage as she was undergoing chemotherapy for a rare neurovascular lymphoma. She was born in Duluth, Minnesota on February 7, 1941 to the late Bill Bailey and Clara Turner Ploski. Deanna will be deeply missed by her partner of 20+ years, Norman Heppner. Deanna was the loving mother of Lori Drumm (Mark Leibsla) & Randall Drumm (Rosario Palacios); beloved grandmother of Castagna Wright (Alec), Amber Vaughn, Jacob Drumm, Sofia Drumm, Celeste Drumm; loving great-grandmother of Brielle Vaughn, Noelle Vaughn, and Ike Vaughn; cherished sister of Joann Knecht; and a host of extended family and many dear friends. Deanna is preceded in death by her loving mother, Clara Turner Ploski; brothers, John Kiminki and Louis Ploski, son-in-law, Michael Vaughn. A visitation will be held on Friday, March 18, 2022, 12-2pm at Sunset Funeral Services, 6245 Columbia Road, North Olmsted, Ohio 44070. A celebration of life ceremony will follow visitation at 2pm. As a dog lover and rescuer, in lieu of flowers, Deanna requested donations to be made to an animal rescue shelter or the ASPCA.

Deanna, I hope you are enjoying heaven. I will miss you very much because you always made me feel special. We had such great times together especially during the summer months for Happy Hour at Cafe Brio. From the time I met you on your job, I knew I wanted you for my friend. I will always treasure your friendship, but I know you are in a better place free of pain and suffering. You were such a delightful person and you knew how to treat people. May you rest in peace and have eternal happiness! Love, Judy McGinley

Deanna, it was always a delight to visit with you whenever I came to town to visit my mom - I loved our wine and cheese chats! Thank you for being such a good friend to my mother, I will miss your warm and inspiring self and all your positive energy and kindness. I'm glad our "sister dogs" Lola and B had a chance to bond and play in your backyard - I made a donation in your memory to the Rescue Inn. It was truly a pleasure to have known you - thanks for the warm memories, and wishing your family peace and comfort.

Heidi Morris lit a candle in honor of Deanna.

Deanna, You liked to stay home and sit outside in the summer and enjoy your beautiful yard and all the wildlife that came into it. You made sure there was always fresh water for the birds and the squirrels. When we did go out and there was music playing, you jumped right up and literally danced the night away putting me to shame! You took great care of my dog Lexi, while I worked long hours and you wouldn't let her wait for me to get home, you took her to your house and totally spoiled her giving her baked chicken and treats, and your famous belly rubs which she just loved. Thank you for being there for her. You have always been there for me too. You have supported me in any decision that I have made. You have given me encouragement, support and most importantly love! You are my best friend and confidant. That will not change so keep the line open because I will be calling from time to time. I love you and miss you so much, my heart is breaking. I will miss our talks at the dining room table and so, so much more. You always corrected me because I said "you were my next door neighbor" and you always said you were "my friend that lived next door!" Rest in Peace Deanna Your friend next door Heidi
