Stan kept watch over all of us here on Sadie Lane. I remember back a few years ago when I was still working full time, plus a part time job, I would fall asleep and forget to close my garage door. I had given Stan my garage code and he would always check before he went to bed to see if I had closed my garage door and he would close it for me. I appreciated that so much. He was a very special man and our neighborhood won't be the same without him. Jeanette Purcell

Stan will really be missed at the Malloy family gatherings. He always brought laughter and those beautiful beans!!! On a more serious note, one time when I was sitting with Connie, she needed to be readjusted in her chair. I tried to help her get adjusted, but couldn't do it by myself. Just in the nick of time Stan was there at the door and he got her adjusted and comfortable in no time at all. That was another gift Stan had, he was always there for you and ready to help... I'll bet they're together in heaven right now looking to cause some kind of trouble. God bless them!❤️

Stan was such a special friend! Whether it was flirting with all the ladies at the Medina Rec Center, or sharing stories from his entries in that year's fair at our breakfasts and dinners. He always brought a smile to everyone. You will be missed, my friend!

Stan could always be found at the Medina Rec first thing in the morning with a smile on his face and a contagious positive attitude. Whenever he approached me I was always delighted to stop my workout and chat with him.

My dearest Uncle Stan, I miss you so much. I had the greatest childhood and as an adult I have learned so much from you. When mom passed you have been my rock. I will always remember our last talk and you telling me that you love me. I know that you are now at peace with your family that passed before you. When I get asked about my favorite memory, I could never pick just one, I have so many that will be kept in my heart until we meet again. Keep watching over me supervisor, I still have weeds to pull... I love you always and forever..
