Dennis was my 7th grade English Teacher at Lincoln Junior High School of Cleveland, Ohio. He was a great mentor. His motivation, his knowledge and smile will always be remembered. I was most interested in his vocabulary teachings like BAND, FANCY and others. These were acronyms to increase vocabulary, I tried for years to track him down to see if he published these. I found this website and two of his books, I purchased. I am looking for more of his vocabulary if it is available, it would mean the world, I remember so many but would love to read his notes. Please contact me at ohskip77@gmail.com Skip McCloskey. I did find just today the news of his passing. What a great man. A good friend. Thanks Mr. Fox.

I remember how welcoming and friendly both Dennis and Joy were when their son Jeff married our daughter Aubrey. He loved playing the piano and teaching his students, sharing many stories about them and about the musical compositions he had written. We are blessed to have known Dennis.

Mr. Fox taught my daughter how to play piano. We will always remember his stories, his laugh, and the recitals! I am so sorry to hear of your loss and send prayers to the family. He was truly a wonderful man!
