Judy Ann Russell

JUN 6, 1971 - MAY 25, 2022

Judy Ann Russell has passed on to be with God, Grandpa, Grandma and the rest of our loved ones at age 50 on May 22nd, 2022 one week and a half from her 51st birthday while she was hard at work taking care of the house. She was born on June 6, 1971. Loving Daughter of the late Michael John Kinney and Sally (Wolf) Kinney; cherished and blessed Mother of Sequoyah Michael Russell. She has had the greatest of intentions to support people no matter what she was feeling physically or emotionally in most selfless and unconditional ways to hurting hearts. She lived her life as a Lightworker, a beacon of positivity, inspiration and guidance for countless lost souls in need of spiritual help. She has grown to have friends all across the world. Judy is already in a better place, without pain and suffering which she has endured far too much in her life. She really tried so hard and has had so much willpower to turn her life around with immense motivation and strength. She overcame a terrible smoking habit that was developed around age 12 after around or almost 20 some years. She quit on the anniversary of the day that her beloved father (Uncle Mickey) passed away to make that day a very special and memorable day to give her the strength she needed to go on. Her hope was to share that message to people to inspire them to find a special day to quit their habits and be motivated by them to not go back! Even if you feel like there was something you wanted to say to her...know that the relationship and the loving connection that you had with her was what really mattered in life. There really are no proper ways to say goodbye. She really tried her very best to stay in touch with everyone but her health problems made it very difficult for people to fully understand. Also know that every invitation to get together meant so much to her even though she could not physically make it possible. She is and will always be sorely missed. May God bless her spirit in Heaven, Amen.
