Thoughts and prayers to you Sandy and you're entire family. Mom's are so special and never easy when they are called to be with the angels.....I remember when we were kids and your mom worked at the arcade in North Royalton. She took us with her to work one day and I thought it was so cool how we had endless quarters to play arcade games. I can still hear her calling me Danny "Dilly".....Hope she is at peace now and you find comfort in knowing she is with the angels now.....
