**James Gannon** posted:

Jimmy, I miss you. You were the most intelligent person I ever knew. Sorry. Funny moment in martial arts class: Jim was about to do a flying kick at me (yes, imagine Jim airborne like a Jackie Chan movie, can you say yikes!), I was terrified, crouched down hoping he would miss me, held up my arm in a feeble instinctive attempt to block the kick. The top of his foot hit directly on my elbow, Jim dropped to the ground from mid air due to the completely accidental strike of my elbow to a significant pressure point on his foot, I fell down and we both just laughed at how silly the situation was: It was like an ant just swatted down a large aircraft.
