Mr Diack was like a second father to me. From the moment we moved in 2 doors down and befriended his sons... I fondly remember him taking us to minor league baseball games and occasionally the horse track... fun and exciting adventures for a kid! So many memories to lest them all... He will be missed.

Brian was the most loving Pa who always supported his grandchildren. The girls are so fortunate to have had so many memories made with Grandpa Brian.

I was very saddened to hear of Brian's passing. I could always tell how much you loved each other. He was a very special person, always with a smile. So glad I have memories of him from your wedding, at the zoo and library events.
