That was the first time he met Parker! He just sat on the floor and played and talked to a little bald munchkin. That smile....❤️!

Uncle Mark was always up for fun and play. He always had a smile at the ready for his nieces & nephews and no matter how many times we would ask him to talk like Donald Duck, he'd oblige with no complaint...again..and again.. and again. The older I get the more I realize how rare the patience and joyfulness he exuded really is in the world. I didn't get to see him as often as I would have liked, but I'm so grateful for the moments I did get. He was an incredible human and he loved his family fiercely. I pray that he is at peace. I pray that his family can find peace knowing he is no longer in pain; instead he's fishing by a lake with the Big Guy himself, telling stories about how cool his wife and kids are. The Lord has gained a glowing example of what an angel truly is.
