Lois and I send our condolences to Charlotte's family and friends. Often times Charlotte would welcome us home with a smile. She would keep watch over our house while we were away on vacation or business. Charlotte told us stories of previous occupants that made us laugh over and over. We will miss her deeply and pray that the LORD will bring comfort to you all. Our love and prayers - Majors Jim & Lois Guest, The Salvation Army.

When I think of Charlotte, the first thing I see is her beautiful smile which always made me smile too! I always chuckled to myself about how she said my name. Not Cheryl but "Sherell" with that great accent she had. She was a great friend to my mom Sarah and our family. She will be missed dearly! Cheryl Bores

Aunt Charlotte was a wonderful giving person. Her and my Mom were long time friends, and when my mom was in a car accident, Charlotte was there for our family. Almost every day. She'd visit my mom often, drove my dad to and from the nursing home, to the cemetery. She also did it with humor, jokingly get me to smile or even laugh about things along the way. Charlotte also promoted family gatherings. Her home was always open to me, and if it wasn't for her, I would not have gotten to know some of my cousins. One time we drove to WV to visit her brother, my dad, Punkin and my brothers Wayne and Johnny. What great time we had on New River. Riding in dad's boat, and just hanging out at his camp. While there she wanted to cut dad's grass, she loved riding it around his yard, like it was the coolest thing! She will never be forgotten, and always have a place in my heart. ❤️

Charlotte was like a friend and a "mom" to me and although I haven't seen her in awhile I have so many fond memories. First met Charlotte and Bill at bowling and had many fun times and New Years with them both Kept in touch in spurts as many friends do. Was also friends w/her kids, especially Patty. My love and thoughts are with you. I just found out about your mom's passing. Love, Gail (and Jimmy) Stilwell
