Betty was my babysitter when I was 2 years old, her daughter Kelly was my Flower Girl.I just didn't put 2 and 2 together because I never knew her real name was Dorothy. Or maybe once, she was always Betty to everyone I knew.I used to run after Betty and Larry to catch them kissing behind a building and, run home to tell on them as they ran as fast as they could after me.I remember Larry, handsome and young, Kelly and Mark as children.Sending Love and memories, Leanne, Tiffany and Grant

Thank you to my second mom for showing me how to have joy and love in my life. Even though I've lived far away and in different places, I could always come home and feel like I was just walking across the street on Archmere to hang out with my second family. I'll never forget all the great times we had at your house, at the rink, driving around in the van, hanging out on the porch, baking cookies, watching scary movies and Grease a million times. You embraced my kids the way you embrace me and we will never forget you. Betty you are truly an angel on Earth and you will be sorely missed.

Friday nights at the BRC were so special to us. We would spend them together with Betty. She loved seeing Joey, he was just a baby. Betty always had a smile and a warm greeting for everyone. She definitely was proud to be the rink mom. Betty loved her family and her BRC family. She has touched many lives. May Betty rest in paradise. Deepest sympathy to her family. Joe & Gina

So sorry. In HS, my mom and she were in PTA, and she was a HUGE Tom Jones fan. I drew a pencil portrait/sketch of his head which she actually took to his concert. She went to every performance when he came, and sat in the front row. Tom called her up on stage with the picture and wanted to meet the artist - and he signed it. I was just a teen and no cell phones or a camera to capture a photo of my picture. I had asked her once, if she still had it, to send a photo, but she never did. If anyone comes across it among her things, I'd love to see my teenage artwork! RIP Betty - You were one of a kind! ❤️

Grandma Betty was such fun, loving woman who cared for her family endlessly.Two of my favorite memories with her that come to mind are going on a cruise and laughing nonstop the entire time at her grandson, Jordan, and drinking Pink Squirrels on Christmas Eve while playing LCR. She always brought so much fun and life to the room. Rest in peace, Grandma Betty.

Betty was such a lively and fun person. She did light up a room when she walked in. I'm sure her angel wings are lit up right now. God bless to all the family. Sue. (Pembroke Cove)
