My deepest condolences to Peggy, Ron, Dawn, Sean and all of her family and friends. Meghann was such a bright light in my life. I met her when I started baby sitting for her when she was just 6 years old. We spent a few summers together and I never knew a job could be that fun. Even at a young age, her ability to make me laugh, make me forget whatever was bringing me struggle in my life was incredible. I remember thinking that I didn't realize how cool and fun a kid could be (I was college age). She was funny, bright, and one of the most kind and thoughtful people I've ever known. Even as a child, she was always thinking of things to do for her parents and friends and I feel so lucky that I was able to spend so much time with her in her early years. She stood up with me at my wedding, bringing her light to that day. I wish I had kept in better touch with her and am devastated for her senseless loss of life. Keeping you all in my thoughts and have made a donation in Meg's honor.
