Very saddened to learn of Kathy's passing. Kathy was a bright and cheerful light and had such genuine care for others. I was touched by her light and love while working with her for many many years. She was an angel on earth who represented so much good 😊 May she rest in perfect eternal peace.

Hi I am sorry that Aunt Kathy died. I will miss her. I think of her often. I will take the memories of her and Uncle Sam and all the kids coming down to Virginia and staying with Mom and Dad. I hope all is well with you guys and know that she is with Uncle Sam where she wants to be.

Mrs. Arnold was an educational aide for my Culinary Arts Program at Polaris Career Center. She was awesome, to say the least, very passionate with the students and I could not have done it without her! Such a sincerely nice and beautiful soul. Truly anguished by her passing but am sadly happy that she is no longer in pain. Rest easy Mrs. Arnold, eternal peace to you!

Kathy and SanDee set a beautiful example by showing how to sustain a friendship that lasted from high school throughout their entire lives. Through good times and bad, these two ladies were always there when needed by one another. As SanDee's daughter, I am grateful for two strong, beautiful women, who showed the importance of being true friends and companions for a lifetime. I love to believe that they are together in Heaven doing the jitterbug!
