I remember growing up and listening to Uncle Joe's wall to wall stereo on Addington. He loved playing his music. Then I remember going downstairs to play pool and being amazed by all the bowling and golf trophies he so proudly displayed on the walls. He loved the sports and enjoyed sharing his interests with me as a child and later with our children. We will miss you Uncle Joe. May you rest in peace with Grandma, Grandpa, Mom and Dad and the rest of the family that have passed before you and have set the table to welcome you home. We love you Uncle Joe.
