Arthur Clook Langdon

NOV 11, 1939 - JUL 25, 2023

Arthur Clook Langdon, 83, was born on November 11, 1939, to the late Arthur W. and Ruth (nee Clook) Langdon.

Art passed away on July 25, 2023. Beloved companion of 17 years to Dianne Wojdon. Cherished father of Laurie (Dan) Baisch and Jennifer (Dave) Adkins. Loving grandfather of Blake Adkins, Zoe Adkins, Evan Baisch, and Peyton Adkins. Dear brother of the late Martha McArdle. Art also leaves his bonus family: Dianne's children, Sandie (Gregg, deceased) Lorence, Wes (Cindy) Wojdon, and Donna (Joe) Lombardi, as well as her granddaughters, Miranda Lorence, Taylor Lorence, and Laney Wojdon, her grandsons, Scott Lombardi and Nick (Coco) Lombardi, and her great-granddaughter, Sophie Rae.

Art loved his family and friends very much. He was so proud of his wonderful family. He also enjoyed his Apple Valley Lake house. He personally put a lot of planning, sweat, and labor into building it. His love for Apple Valley was forever and a legacy that will live on forever with his family.

Art retired from Precision Machine Products Association. He worked there for 26 years and was very proud of his contributions. One of his big accomplishments while employed there was that he was instrumental in the planning and a major contributor to the creation of the Precision Machining Technology Show, that has been held annually since 2001. Today, it is one of the biggest shows in the precision machining industry. He had a great love for both work and fun.

Don and I had many good times with Art and Diane. They came to visit us at my home in Prudenville, Michigan. We were invited to stay a couple of days at Art's cottage in Apple Valley. We even brought my yorkie, Shelly. She was a hit with Art. We had a great time visiting them. We also spent time with them at Diane's home. We visited them at their condo in Englewood. They even talked us into going Parasailing. Art told the driver to bring us down and get Don's butt wet. Art was a very caring, fun to be with person. We will cherish all of the fun memories with both Art and Diane. He will be greatly missed. Don Wicks and Pat Partyka

I met Art and Dianne when they decided to be snowbirds in Englewood Florida! They bought a great condominium and then Art went to work using his special talents of carpentry turning it into a beautiful winter haven. We became friends through this transaction and always looked forward to their return from the north. Our times together were always fun and full of good conversations! Art was a great conversationalist and we loved hearing about Apple Valley and the trips they had been on. We will miss him. Our thoughts and prayers are with Dianne and the family. My favorite memory of Art was at Apple Valley after the end of the 2012 Prospect League summer season. My teammate joined me for the weekend at his lakehouse and we caught a bunch of bluegills, but instead of them being used as bait, they ended up getting fried in the sun. The smell was pungent, much to the dislike of art and his neighbor. I will never forget it because he never let me forget it! Always good for a laugh.
