Nicholas Doyle

APR 12, 1992 - SEP 5, 2023

Nicholas "Nick" Connor Doyle, 31, of Elyria, passed away on September 5, 2023. He was born April 12, 1992, in Cleveland to his parents, James Doyle and Araina (nee Klimack) Doyle.

From his earliest days, Nick radiated a zest for life that captivated all those around him. Born into a loving family, he was raised with unwavering support and affection. Childhood memories reveal a mischievous spirit that was always ready for adventure with his two brothers. He embraced every moment of his life with an infectious enthusiasm that could light up any room. He attended Elyria Catholic High School, graduating class of 2010.

Nick was always the life of the party. He could make friends easily, and everyone loved him. Music was the foundation of his life, often traveling the state and country for shows. One of his favorite places to be was in front of everyone singing karaoke. He met most of his friends through his deep love of music. Nick loved being with his family as well, vacationing to many places from a young age. He even moved to Colorado, where he could adventure into nature camping, kayaking, or hiking. No matter the season, Nick embraced the outdoors and the fresh air. He will be remembered for his ability to make anyone smile, extroverted personality, and his wonderful sense of humor. He had a deep love for his friends and family, and his beloved cat, Gromit, as well.

In the too short 31 years of his life, Nick touched the lives of countless individuals, leaving an unforgettable mark on our hearts.

Nick was preceded in death by his grandparents, Joan "Grandma" Chieffo, Marie "Nana" Doyle, and Thomas J. Doyle.

He leaves behind a loving family to cherish his memory, including his parents, James (Dawn) Doyle and Araina Doyle; brothers, Ryan (Kandice) Doyle and Daniel Doyle; grandparent, Bill "Poppy" Chieffo; aunts, Aline Doyle, Monica (Chris) Doyle, Nora (Peter) Doyle, and April (Dave)

As Nick's Uncle most of my memories are of him as a child and teenager. At family, Holidays, and Vacations we all took together. He liked to rough house, always giggling. His big smile always have been the same. You couldn't help but smile back. As an Adult his favorite BBQ Baked Beans with brisket from Walmart. We will enjoy it at all our future get together in his memory. He has definitely touched many lives with his outgoing personality. His passing will leave a deep scar for many. I will definitely feel the pain of that scar till my last breath. RIP Nick.

Me and Nick bonded over our love for Gerard Way and alternative music while in high school. Throughout our adults lives we always kept in contact with each other and his IG/Facebook posts would always make me laugh. I was so heart broken to hear about his passing. We truly lost a special and amazing human, the energy will never be the same without him. I hope we all find each other again in the next realm. Love you Nick.

TIME IS NOT MEASURED BY A WATCH, BUT BY MOMENTS. Nick, You had my heart from the moment you were born. And thanks to your loving parents, I was privileged to be a big part of your life. I treasure the moments of holding my beautiful newborn nephew, witnessing your first taste of cake on birthday #1, and attending the baseball, soccer and basketball games of your oh-so-short athletic career. There was lots and lots of babysitting which often turned into refereeing the tag team battles between each combination of you, Dan and Ryan - good times :). So many vacations together from Salt Fork State Park to Ireland to Australia. And, buying you your first legal drink. But above all, I treasured you Love. This hole in my heart will never be filled. I Love You and will Pray For You for as long as I live. Auntie Al
