Kimberly Ann Kasicky

FEB 18, 1964 - OCT 25, 2023

Kimberly Ann Kasicky passed away on October 25th, 2023, at the age of 59 in North Olmsted, OH after a 7-year battle with cancer. She had fought hard, and she was our warrior.

Kim was born on February 18th, 1964, in Pittsburgh, PA. After graduating from Thomas Jefferson High School in 1982 she went on to obtain her associate degree in nursing from Allegany Community College and Del Mar College School of Nursing. She was then married on June 9th, 1984, to her high school sweetheart, James “Lou” Kasicky. They shared 39 wonderful years of marriage together.

Over the years Kim worked at many places including the Fairview Library, the Mercedes Benz Dealership of North Olmsted, as well as several hospitals. It was not long before she realized that her true calling was helping children and thus, devoted over 22 years of service to the North Olmsted school system.

Kim was the ultimate hostess, and there was nothing more that she loved than a house full of family or friends to feed. Some of our family’s fondest memories include time spent with her in the kitchen. Her cooking was unrivaled, her laugh was contagious, and the love she had for her family was never-ending. Kim was an incredible wife, mother, grandmother, and friend.

She is survived by her beloved husband James “Lou” Kasicky; daughter Dea (Vince) Shiplet; sons Anthony (Jamie) and Nicholas (Sarah) Kasicky; grandchildren Olivia and James Kasicky; parents Vincent and Elizabeth Parise; twin brother TJ (Tisha) Parise; sister Lena (Paul) McFarland; sister Deanna (Rob) Bovard; as well as many aunts, uncles, nieces and nephews.

Kim was predeceased by her grandmother Helen Parise; father and mother-in-law James and Arlene Kasicky, and sisters-in-law Christine Azzarella and Annette Flot.

Heaven gained a beautiful angel and one of the most caring loving souls that I have ever known. For as long as I had known Kim she always had a smile on her face. She was a joy to work with when we were at Chestnut together. Our sons went to school and played football together for many years. I will miss you Kim...you were a gem and a blessing to all who knew you. Love, Kathy Taylor

Kim was my twin sister and as all of our family, will never forgot her. She was an amazing person that gave so much of her heart and time to many people, especially those that were challenged. She fought her illness like no body I know and never once did we ever hear her complain about her condition. She was a true person to all that knew her and she was not afraid to tell it like it is. I wish she could have lived much longer than she did, but we know she is at peace and in a very special place now. I will miss her smile, her willingness to have fun, her great dinners and homemade Carmel candies. She handled everything like a "Boss". We will miss her so very much. Love, TJ and Family.

Kim was a pillar of strength with the heart of an angel. She is so missed here at North Olmsted High School. Many prayers for her family, as she loved you all and fought so hard to stay here with you. May you take some solace during these dark days in knowing that her suffering is over and that she is now in heaven with the Lord. Her light will continue to shine on through each of you.

Dear Kasicky Family, I am so sorry to hear of Kim's passing. I will always remember Kim and the Kasicky family with great fondness! I taught Kim and Lou's children at Spruce Elementary School, and Kim and Lou and I (and my husband) talked a lot about Harley's! Seeing Kim on her Harley from time to time reminded me just how cool she was! Sincerely, Claudia Bestor

I'm so terribly sorry to hear about the passing of Kim. Although I did not know her personally, I knew her sisters, Lena and Deanna and the whole family was known for being loving and virtuous. I hope the family takes comfort that she's no longer suffering and is still with them, now as the family's guardian angel.
