To Diane and Rob - our deepest sympathy to you and your family. I knew your dad since I was 12 years old. Our fathers worked together at the New York Central Railroad. Pete and I have been friends for 65 years. The last time we spoke was while he was in the hospital just before Thanksgiving. Needless to say, I am devastated at learning he has passed. Many hours we spent discussing our collections and meeting up at shows enjoying each other's company. His knowledge was endless and I'm without words. I will surely miss my dear friend. May God bring you strength, courage and comfort moving forward. If I can be of any help, please call me. Bill & Sue Wright
