Hello! We know Bob as "Uncle Bob"--our daughter's nickname for him. We bought our first touring bike from Bob; a Honda 750, 4 cylinder; and, began a decades-long friendship through our times in Ohio and here in Arizona. We sanded Shelby(ies) and cobras and drank lots of Strohs!! Our daughter, Mary, used to steal Uncle Bob's beers, if he left them unguarded. We have a picture of her sitting on top of the air filter of the black and gold Shelby 500 GT--WHAT A CAR!! Bob visited us in AZ, ooohing and ahhhhing at the fact that there were NO CLOUDS in our skies while he was here. We dubbed those days "Zednik Cloud Formation Days" and we STILL call them that!! We were sooo happy that he found Sandy--a true gem and warm, welcoming helpmate. We loved that he got to follow his passion--with Sandy's encouragement!! What a gift she was to him. We will remember them both fondly and warmly and with memories of Bob's impish smiles and great laughs and contagious chuckles, and Sandy's unstinting support, good sense of humor and love!
