Grammie— You will forever be missed. I will think of you whenever I put on slippers, eat peanut butter cups, and feel the love of a dog. You were and always will be one of my best friends. The four grandkids were the luckiest to be so deeply loved by you. Thank you for helping to raise us and sprinkling parts of yourself into us. I will carry you with me for the rest of my days, and I can't tell you how glad I am that my girls got to know you so well. The sadness comes in waves, but the gratefulness of being a part of 32 of your 96 years doesn't falter. Love you forever.

Mom was a gracious, enduring and caring person who brought out the good in everyone she met. She was a role model for her grandchildren and her love for them was very special. Putting others first was just her way. We are truly blessed to have had Mom with us for so many years, but even more special was her marriage to Dad. Since he passed away in 2015, Mom pressed ahead putting her family forefront and never letting us down. Although some of the wind in her sail was gone without Dad, she never once let anyone know. Our family will miss her terribly, but we will take comfort in knowing that she is now resting peacefully with Dad and watching over all of us. As her grandchildren recounted at her Memorial Service, Grammie influenced their lives in countless ways and will always be in their hearts. Ken Evans (son-in-law)
