**Paul And Stephanie Eishen Sr.** posted:

I am so sorry to hear that Pat passed! Paul was in the Navy with DeI Turk "Turk" as we called him before him and Pat were married. Pat, DeI and their children visited our home in Michigan many years ago and the four of us met every other year at the Navy Reunion. We enjoyed our visits so much! Catching up on time past! During the Navy Reunions we spent all of our time together, going here and there, eating together, laughing together and sharing so many memories. Our hearts are broken at this time of Pat's passing. I wish we had had one more visit with her and Turk before they left us. My prayers and love to the family Pat leaves behind. Pat will be missed dearly by all who knew her.
