I knew Bonnie as a devoted wife to her husband Al and a devoted Mom to her children Buddy and Karon. To her grandchildren she was a loving and doting Grandma. To me she was a very kind person who treated me like a friend. Bonnie left the world a little better place for her being in it. She will be missed by all who knew her and her memory will live on and on in the hearts of her loved ones. Love and condolences to the family. Ben Parojcic

Bonnie was a sweet and gentle soul. No wonder she was discerned to be the "Gentleness" witness on our Renewal Team. The team will be incomplete without her, and she will be greatly missed! I know she now gently rests in our Saviors arms. I look forward to receiving one of her giant hugs, (the one thing she was never gentle about!) to greet me when I enter through those pearly gates! Until then, Bonnie, rest easy! 😊♥

Karon and family, Loosing a mom (and grandma) leaves a void but thankfully you can fill it with all those sweet memories of her. I too have many fond memories having met Bonnie in 1994 at a women's renewal. I was then privileged to team with her in 1995. Although Bonnie was quiet and unassuming she lived a full life serving her family and many special needs kids. I know I'm not alone in that we will all miss our sweet, big hugger Bonnie but we'll see her again. Continued prayers for you all. Darlene

Mrs. Ansel, You and your family were always the most awesome people to me as a teenager and to my family as an adult. My step daughter has fond memories of you be there for her when she was a child. My kids loved being over your house and you always made us feel welcome. You even gave me a place to live when I needed. You guys were like family to me and I will never forget you guys. Until we meet again. God bless.
