I'm so very sorry to hear that I lost my very good friend. Helen and I worked at Clint Williams Realty and after that I tried to see her and or talked to her on the phone each week. While we were both able in the summers we would go to Dairy Queen for lunch as she loved their hamburgers and Blizzards. We both had 4 sons and compared memories of being single moms and of having the honor of raising boys and she gifted me with many wonderful recipes. . I last saw her on 3-1-24 which was her 96th birthday. I miss her and will always remember our great friendship.

Scott Williams and I are very sad to hear that Helen passed away. She was a wonderful person. And a great cook. I remember her making stuffed cabbage for us and it was the best I ever had. She was also a great Real Estate agent for Clint and Carol Williams. I was the office manager and worked closely with Helen for many years. Love to the family. You are in our prayers.

My deepest condolences to Helen's family. What a special lady! I worked with her at Clint Williams Realty and enjoyed our 'office' time together. Her love for family and friends was boundless and she will surely be missed.
