Charolette, You were not just a friend, but my truest friend in this country. I will always cherish and carry with me the years of memories, laughter and love we shared. Heinz loved you also, very dearly. The carnations in this arrangement represent me as my favorite flower, and the peace lilies symbolize our beautiful friendship and my hope for your eternal rest. We both will miss you immensely Char, but will hold you in our hearts forever, my dearest friend. With love and remembrance, Heinz & Wilma Bierstedt

Dearest Isham Family,Words, however kind, can't mend your heartache, but those who care and share your loss wish you comfort and peace of mind. May you find strength in the love of family and in the warm embrace of friends.Char left a lot of happy memories with her friends and family. We loved her as you all did :(I have such wonderful memories of our time together, shopping, going on day trips having lunch and just sitting and having coffee and talking and definitely a lot of laughing.
