Will miss you UD. Have fond memories of you and AP taking me out for ice cream when I was very little in the conversion van with shag carpet. I also recall fondly when I asked "where are we going" you were quick to answer "Crazy". I'm especially grateful for the time we had together while building your addition; it was one of the last times me and my brothers were actually together as a unit, and I'll never forget the bond we all created over that week. Rest in Peace UD. Love to you Aunt Paula and so sorry that your time with UD has been cut short.

My deepest condolences to Paula, and all the wonderful Seitz siblings, on David's passing. I was so blessed to have been related to David, as second-cousins. Ever since childhood, our lively family gatherings were joyous celebrations, and for me, David's presence made the visits complete. He had a warm, friendly, self-assuredness about him, whether talking baseball and football, or about the great rock-n-roll we all grew up with. I couldn't wait to see him every time—we had many laughs, too, and I always left feeling lucky knowing he was family. I also have fond memories of his wedding to Paula, one of the most enjoyable days of my young life. They were such a happy, content couple, sharing a long lifetime of love that was inspirational to me. May God bless Paula and the entire family. He is truly missed... 🙏
