Todd Bruehler

JUL 1, 1969 - JUN 2, 2024

Todd Bruehler, age 54, passed away on Sunday, June 2nd, 2024, surrounded by his loving family. Born on July 1st, 1969, Todd lived a life full of love, laughter, and strength. He is survived by his parents Bruce and Carroll Bruehler, brother Jason Bruehler, sister-in-law Michelle, children Donovan and Delaney Bruehler and his fiancé Jessika Pavich.

Todd was known for being a great cook, a skilled craftsman and most of all a devoted father. He never missed an opportunity to teach his kids a life lesson. Whether he was showing Dono how to build a room from scratch or collecting streets signs for Lani.

Saying Todd was an avid Cleveland Indians fan is an understatement. He learned the love of the game from his grandmother and would often be found in his garage working on a project listening to Tom Hamilton say, "We're underway at the corner of Carnegie and Ontario!"

Beyond his family and passions, Todd touched the lives of all who knew him with his infectious laughter (dad jokes) and generous spirit. He is known by hundreds of people at the Cleveland Clinic for saving lives, sharing his wisdom and let's not forget his sense of humor while pushing the Sunshine cart. He will be deeply missed by his family, friends, and all who had the pleasure of knowing him.

Calling Hours will be held Monday June 10th and 11th from 3:00pm until 7:00pm at Sunset Funeral and Cremation Services located at 6245 Columbia Rd, North Olmsted, OH 44070.

Following the viewing, a celebration of Todd's life will be held at Harry Buffalo in North Olmsted beginning at 7:00pm. Friends and family will gather to honor his memory and share stories of his remarkable life. In lieu of flowers, the family kindly requests donations be made to Sunshine Fund (<https://venmo.com/u/cvicusunshine>), in honor of Todd's compassionate spirit and love for his community. Todd created this charity to help fellow CVICU nurses in need.

I really don't know Todd, but I've met him a few times and he always seem to be a very nice guy. I just love the way that he loved Jessica and her kids. Spoilt them all rotten. But that's what good men do. So I definitely send my condolences out to Todd's family. I am, however, Very familiar with Jessica and her family. So baby girl just know that you are in my thoughts and prayers for you,the kids And the rest of your family, to find some peace in these hard times. 🙏🙏

Todd was a great guy. It doesn't feel right to use past tense..... He has always been an excellent nurse with a great sense of humor, uplifting everyone in CVICUs, a great coach and mentor to many. He shared his frequent potlucks and sunshine fund cart between all the units. He made it fun, putting laughter in the mix. He will be forever missed.

Danijela Davis posted:

I remember when Todd started working in the MICU. Everyone loved working with Todd. He was always smiling, joking, teasing. I fondly remember our easy banter, but also conversations about his rental property, house improvement projects and cooking. I called him my annoying big brother. World without Todd makes no sense to me.

Steph Welch posted:

Todd was always a shining light every night I saw him passing in the halls or on a visit to CVICU. He always teased me by saying "here comes trouble" to which I would respond "same to you old fart" We were both "senior" nurses on our respective units and the love for this job and team was evident even in the most stressful times. He will be greatly missed but never forgotten.

Uncle Bob & Aunt Darlene sent a virtual gift in honor of Todd.

Todd was the most amazing person for one to know. He was such an amazing and loving nephew to us. He always made sure to include us with invites and we loved spending all the wonderful times with him, from watching him grow from a little man, into this man that was such a wonderful human being. He truly was our Hero in so many different ways, as he was to so many others. We couldn't have been prouder for the love he showed for his job, and the love he always showed towards his family and loved ones as well as his friends, He was truly one of a kind, and was such a people person through and through. We are beyond heartbroken to realize our time and everyone's time with him has so painfully and suddenly been stolen away. We will treasure the laughter he always seemed to create and all of his love, his memories will be ours to cherish and hold deep inside our hearts. RIP Todd and fly high with the angels until we meet again, what a beautiful privilege we've had to be a part of your life. We will always have the deepest love for you. Love, Uncle Bob and Aunt Darlene
