The most wonderful "little" neighbor for 18 years. Dean and Chet were the first to welcome us to the neighborhood. After Chet passed, we looked after Dean as she became a part of our family. Our feisty, kind and funny neighbor that was kind to our grandchildren and spoiled our pets! Dean always shared her peanuts, cookies and candy with us and if she didn't see us everyday, she would call to check on us. Steve raced with her to take trash cans to the back yard and our family always pitched in to help with her yard work. Dean you will missed beyond words, you were the best neighbor we could have asked for. Thank you for accepting us as friends. We take comfort in knowing you that you are now with your sweet Chet again. Rest peacefully and know you will forever be in our hearts. Love to you, Steve and Renee Hale

Dean we go back to the 1960's when I came to work at Sweeney & James Advertising as you were pregnant with your first precious baby. Throughout these many years we have been in touch. You were always a delight and a fellow shorty. I will miss you kid, and honor your spirit

My husband Jack and I played Mexican Train dominoes at Bay Village Senior Center with Dean. She was a special loving and giving person and we will miss seeing her and sharing our times together.
