I always ran errands with my Aunt Eve, she was sweet enough to give me a mug that said, "I love you" on it without any reason beyond her just loving me. I'll miss running errands with her, and I'll miss her smile when I'd walk in the door to come pick her up. She always had sweet things to say and was always excited to hear about what I was doing next. I love and miss her dearly. - Ava Wahl
