Gene Allen Grega

JAN 25, 1956 - OCT 26, 2024

Gene Allen Grega, 68, of North Olmsted, Ohio, passed away suddenly on October 25, 2024. Born to Joseph and Mary Ann Grega, Gene was lovingly raised by Delores Domo, who cared for him as her own.

He was the cherished husband of Debbie (nee Toney) Grega for 46 wonderful years and a devoted father to Katherine (Dominic) Grega-Brunori. Gene is also survived by his foster siblings: Tom, John, Michelle, and Jackie.

A passionate lover of cars and music, Gene played the drums for over 40 years and found joy in attending live music events. His vibrant spirit was matched by his love for fun, horror movies, and classic TV shows, which he often enjoyed with his daughter, Katherine.

Gene was known for his hard work and kind heart, leaving a lasting impact on all who knew him. He will be deeply missed by family and friends alike.

A visitation will be held on Monday November 4, 2024 from 12pm- 2pm, at Sunset Chapel 6245 Columbia Rd, North Olmsted, Ohio 44070, with a memorial service to directly follow in the chapel.

Hauled sand with gene for about 5 years. Took him a while to open up but once he did he would always wave and when his CB radio would work he would talk a little. You will be missed gene. He was a good man.

Our family is so saddened with the news about Gene's passing. We all agreed he was truly a one of a kind beautiful person. So kind and compassionate. This has to be immensely hard for you and Katherine He will be missed. If you feel the need to escape and be one with ocean you and Katherine are more than welcomed to spend a week here in Myrtle beach. The two of you could spend hours just walking and staring out at the ocean. Lisa chose to be in Hilton head this month to be alone and figure out what comes next after Jason passed away. Just a thought maybe it will help a little. We are here until 11/15. Thoughts and prayers are with you and Katherine! Sincerely.

I would see Gene coming or going at Clague Towers or the parking lot & he'd stop to talk. We'd chat for some time, on our way in & in the elevator till I got off on t 4th floor. I called him the Parking Lot Philosopher! He was a good soul & had a very kind heart. He talked about his Family whom he cared for dearly. He will be sadly missed by all who knew him. So Sorry for Your Loss. Our Prayers go with You & Your Family. Sincerely, Belle Gerfen Unit #413 ph#440-665-9500. Please call me, if I may be of help.

Dear Debbie, I am so sorry to learn of Gene's passing. He was such a nice fellow with a great personality and very funny. He made me laugh out loud and had such a nice smile that would light up the room....so enjoyed the summer concert that we attended together this year in North Olmsted. I was so wishing there would be more times like that. You were lucky to be married to such a nice fellow for all these years. Please let me know if you need anything. You have my number of course. Prayers being sent your way. My deepest condolences, Della.

Gene's life story has reached far, far away (that's the "power of social media"). From the other side of the planet, I would like to express my deepest condolences to Gene's friends and family for their loss. May you be consoled for your loss by the thought of what Gene found in life thanks to you: love, friendship, family, brothers. May you remember the wonderful person that I am sure he was.
