Jack Dale Patton

AUG 1, 1934 - NOV 11, 2024

Jack Patton, age 90, of Avon, Ohio passed away Sunday, November 10th surrounded by loved ones. Preceded in death by his parents Ford and Madelyn (McCoy) Patton of Kittanning, Pennsylvania; siblings Paul Patton and Jean Dame, and grandson, Bradley Hunsberger. Beloved husband of the late Marjorie Johnston Patton. Loving father of Susan (Don Hunsberger) Patton and Doug Patton. Cherished G-pa of Katheryn Hunsberger.

Jack proudly served in the United States Army from 1957 to 1963 and was based in Fort Riley, Kansas. He attended Wayne State University and Geneva College and graduated with a degree in Business Administration after completing his Service.

From 1959 to 2000 Jack worked for Jones & Laughlin Steel Company, later LTV Steel, as Controller, Service Center Division and leader of their Employee Participation Teams.

Jack was a life-long church choir member, bridge player, and polka dancer. He loved the Pennsylvania Polka and taught many residents in his senior living facility this dance. Jack will be sadly missed by those who have known him over the years.

Our sincere thanks to the caregivers at Rose Senior Living for the love and support provided to Jack over the years. We know he was cared-for and loved during difficult times.

To Susan and the Patton Family. Jack was what I refer to as a Disney World Friend. By that I mean knowing him, and your mother Midge was both a magical experience and a reminder that it really is a small world after all! Jack was a pillar of our Church. It was an honor to get to know him and Midge for over 25 years. Sitting near them in a service was always a joy. Just to hear them both sing the hymns in such a beautiful and angelic way. As it turned out they both knew my parents through mutual friends, and as a result became a part of our large extended family! After Midge's passing I discovered Jack had also worked with one of my cousins at LTV Steel. It is a small world after all! What I most admired about Jack was his grace, kindness, and positivity. In our early morning services he was a reminder of the goodness we find in people of faith and deep personal character. I loved and respected him for many years. As Cicero said over 2000 years ago, "the life of the dead is placed in the memory of the living." Jack and Midge have given all who knew them treasured memories of a life full of joy. Memories of them, for your family and all of us, will keep them alive in our hearts and minds through those wonderful remembrances. Peace and Blessings be With You and Your Family, Tony DiBiasio

Don and I loved Jack, loved sitting in front or in back of him at church, it was great hearing his singing voice. Don loved calling him General Patton, chatting about sports teams, and generally kidding each other. He was a wonderful man. We will miss him! Love and prayers, Mary Lou and Don Lefelar
