Dick was one special and spunky guy. When I would visit him and his dear wife , and my beautiful friend, Shirley, I would enjoy bantering with Dick and seeing his infectious smile. He was so appreciative of the care Shirley gave him and I could see the love they had for each other. Dick was so proud of both of his children Rick and Dawn as well as being a Poppa to his grandchildren. Heaven has truly gained a sweet angel. Rest easy and save a spot for us at the table so we can play some games in heaven together.

My Father was a Pious Man with a gentle Soul. He was a much better man than I could ever strive to be. His death will leave a hole in my soul..... I will miss him until the day that I die. I want to thank all those who offered prayers, well wishes, flowers, food, and your time and presence. My Mother, Sister, and I appreciate and love you all.

I did not know Richard personally, but I came to know him through the loving stories that Father Ron shared with us in Niagara over the past several years. We heard of Richard's brave determination to recover and try to walk and talk again, and how much he was supported tirelessly by family and close friends. We offered prayers for you all during these difficult few years. May I now offer my prayers for healing the grief of the loss of Richard's presence in your lives. I also pray for Richard as he begins his new journey. May you all be accompanied by God's loving Presence through this difficult time.
