**Mark Dean** January 16 at 7:33 AM

To my cousins (First and Second)– Steven, Missy, Jill, David, Ryan, and Jamie: I want to express my deepest condolences on the respective loss of your mother, sister, and grandmother. To me, Markay was a wonderful, fun-loving cousin, and I have so many fond family memories of her in my youth and early adult life growing up in Cleveland. Some of the strongest, happiest memories of Markay and our family involved the holidays – especially Christmas and summer cookouts. Every Christmas, mom and dad would drive to Aunt Mary's house in Fairview Park, and then to Aunt Norma's house in Bay Village. There we exchanged presents, and afterwards, the entire family would gather around food, drink, and music! I forgot that on the Snyder side of the family, that there was so much musical talent! We had Jannie and Karen playing their instruments and giving us a wonderful rendition of Christmas songs. Markay would play an instrument: piano (in the living room near Aunt Mary's aluminum Christmas tree), violin or even an accordion, if one was lying around! After this, the Dean boys went down to Aunt Mary's basement along with David and AJ (as babysitters), to watch the amazing train sets that David and Uncle Bud had built. Or we played with the drums and Jannie's kitchen/grocery store toy sets in Aunt Norma's basement. Sadly, we would get a bit too exuberant on the drums, and an adult voice from upstairs (usually Aunt Norma or Markay) would yell "too loud" and the drum sticks would be taken away...but we still found a way to beat those drums! Ha! During summers, Aunt Mary, Aunt Norma, and Markay would take turns hosting cookouts. Just like the holidays, there was wonderful food, drink, games, and music. And always, there was lots of laughter! I remember Markay, Norma Jean, Aunt Mary, and Aunt Norma sitting with mom and Grandma Snyder, having a good old time, laughing, exchanging stories of their youth, catching up on family, etc. I know that I left Cleveland many years ago to pursue my career. But I want each of you to know that my heart is still in Cleveland, it is home, and that Markay had a very positive impact on my life. I always looked forward to these family get-togethers as they were some of the best times of my youth. Markay was a wonderful cousin and I cherish the memories of our family get-togethers with her. To me, Markay was the essence of fun-loving times, laughter, and warm spirit! May she rest in eternal peace.
