Debbie and Family, We were so shocked to hear about Ken. We lived in your neighborhood for 29 years and Ken and you were always such kind people. He was always there to offer help or just a good story. May God comfort you at this time. We will remember him always. Our sympathy to you all. Tom & Jean Ditzler

My condolences to Debbie and the family of Kenny who was husband, father, grandfather and great grandfather. I was sad to hear about his passing. He was a great man and an American Patriot. He was a ray of sunshine in the day to day operation of AMSA 123. May his soul be in the arms of Jesus today. Peace and comfort to all of you during this period of morning. Remember that he will always be with you in your heart.Ed Eitner

My sympathy to the entire Bradford family. I was fortunate to have become friends with Ken upon moving to our new neighborhood. Ken was a kind and thoughtful person who always greeted you with a smile. He was willing to help with anything you needed. The grandchildren love to visit the chickens and Ken and Debbie welcomed them to do so. Ken will be greatly missed.

I'll always remember Ken for being the neighbor who was always offering his help and his tools to the new couple in the cul de sac. He and Debby always provided the neighbors with fresh eggs and vegetables. If we were out of town he would snowblow our driveway to make it look like we were home. He took it upon himself to return everyone's garbage cans from the street. Ken always had a smile and a positive outlook on life. The cul de sac will never be the same, thanks for being so kind and helpful. Keith Waters
